The Women's Club of Odessa (WCO), a member of the Delaware State Federation of Women's Clubs, is offering students residing in the Appoquinimink School District an opportunity to apply for one of five \$2500.00 scholarships for post-secondary education or career training. Funding of scholarships is made possible by the annual "Christmas in Odessa" colonial home tour. The mission of the WCO is to give back to the community through educational scholarships, supporting local projects, and historic preservation. The WCO awards scholarships to students who show a commitment to their communities through volunteerism.
